10 Honorable Commissioner of Patents and Trademarks
Mail Stop: Non-Fee Amendment
Commissioner for Patents

15 Commissioner:

 This Response is to the Notice of Non-Compliant Amendment dated June 8, 2009. As Applicant is responding within the thirty (30) day timeframe, it is believed that no fee is due.

 Claims 1-29 are pending in the application. In response to the Election/Restriction Requirement, Applicant elected, with traverse, Examiner's Group 1, Species 14. The following
20 pending claims read upon the elected species: 1, 5, 7, 8, 14, 16, 19, 20, and 21.

 Applicant mistakenly made the election of Examiner's Group 1, Species 14, which should have been Examiner's Group 1, Species 4. The pending claims, as above, read upon the elected species.

In view of the above, it is submitted that the application is in condition for examination.

If any question should arise with respect to the above remarks, or if it would in any way expedite the prosecution of this case, Applicant's attorney would appreciate a telephone call at (614) 228-6280 extension 18.
